Highlights

Globelink Turn-key Hub Solutions

CWT Globelink Pte Ltd was established in 1988 and is now on its 28th year as a leading NVOCC in Asia, extending its reach as one of the Top 4 globally.

With our headquarters in Singapore and network of 100 offices in 28 countries and agents covering all major ports around the globe, we ship cargo to over 200 ports that reaches 1,600 destinations worldwide.

Aside from the NVOCC business, we also offer services for project cargo and value added services such as repacking, re-palletizing, customs clearance, import and export documentation assistance on fumigation, door to door transportation – with comprehensive customer needs which only Globelink can meet.

Currently, we own or operate Container Freight Station (CFS) in key hubs & gateways such as in Singapore, Colombo, Jebel Ali (Dubai), Port Klang, Barcelona & Alexandria.

We offer a list of comprehensive Turn-key Hub/ Gateway solutions to meet the requirements of our customers:-

- Inbound service from various origins into Hub-Gateway
 - Customers' own consolidation service; or
 - Globelink's inbound services into the Hub-Gateway
- In-transit inventory management at Hub-Gateway
- Unstuffing of customers' inbound consol boxes

- Stuffing of customers' outbound consol boxes according to loading instructions from customers
- Transportation, Cargo Releasing, and other ancillary or value-added services required
- Underflow and overflow of cargo can be loaded into Globelink outbound consol services

As a Group, we are committed to establish and maintain strong client relationships and also highly focused on developing extensive and cost-effective services that will provide the optimal results each time.

An Overview of Singapore Hub

With a total of 10,000 sq. ft. space, CWT Globelink is the largest CFS operator in Keppel District Park (FT2) and we have a container handling capacity of 3100 - 3200 TEU per month. With vast experience and efficiency in hub operations, we are able to ensure a quick turn-around of import and export containers and provide appropriate solutions to meet the demands of our customers.

Other warehouse capabilities include:

- DG handling
- Heavy-lift equipment
- Special cargo handling (e.g. automobile)
- Re-palletizing
- Trans loading
- Buyers consolidation
- Cargo labeling
